PROGRAM HIGHLIGHTS

- **Specialize in Cyber Security, certified by EC-Council.**

Students will receive additional certifications from EC-Council in their second year of study.

- **Get Globally Recognized Certifications***

As a SEAL student, you will have access to certifications from Harvard Business School Online and NCC to boost your career growth or strengthen your entrepreneurship plans!

- **Cost Effective**

Studying with SEAL is up to 70% cheaper than studying in the UK, and you get the exact same degree!

- **Flexible Study Options**

You have the option to study completely online or in a blended format at our Bangalore Campus. All classes will be live in person or virtual, and all classes will be recorded and available to you if you are unable to attend through our Learning Management System which is accessible 24/7.

- **Interactive Student Experience**

Our program is not pre-recorded lectures and online learning material. All classes are live, so you will have the opportunity to interact with your professors and peers on a daily basis.

- **No Exams!**

Yes, that's right! No exams, not even one. All our assessments are in the form of written assignments.

- **Get a UK Degree and Graduate in the UK**

Your degree certificate will not mention online or distant learning, it's the same as the diploma you receive while studying on campus. You are also welcome to attend the graduation ceremony in the UK

- **Option to Study Final Year in the UK**

You may choose to apply to any university in the UK for the final year of your program with your NCC Level 4 and 5 Diplomas.

- **Financial Aid, Scholarships, and Student Loans**

We have partnered with various financial institutions and partners to give our students every chance of pursuing their dreams. Contact us to find out more!

*Certain certifications are at an extra cost.

Arm yourself with a globally recognised Business Computing Degree from the UK

SEAL's BSc (Hons) Business Computing and Information Systems course is designed to help you reach your potential! Get the computing and IT skills you will need to prevail in a wide range of fields. Our business computing qualification is the edge you need to get ahead and push your career forward.

In this program, all students will also receive EC-Council certifications for the following subjects:

- Network Security Threats and Defence Mechanisms
- Computer Forensics and Incident Investigation
- Ethical Hacking and Information Security Assessments

The International Council of E-Commerce Consultants, also known as EC-Council, is the world's largest cyber security technical certification body. Operating in 145 countries globally, they have trained and certified over 200,000 information security professionals globally that have influenced the cyber security mindset of countless organisations worldwide.

We have partnered with highly acclaimed institutes such as University of Central Lancashire, NCC, and Harvard Business School Online to bring you the best learning experience.
